

SUPPORT PEDIATRIC CARE AND IMPACT LOCAL KIDS!

Log A Load for Kids is a local organization made up of forestry community members that partner with the Centra Foundation to raise funds for pediatric care, benefiting children at Centra Lynchburg General Hospital and Centra Virginia Baptist Hospital. Funds raised have helped ensure specialized newborn and pediatric equipment such as fetal monitors, radiant Panda warmers, and Omni beds for the Intensive Care Nursery, are available. This equipment allows children in our community to stay close to home, family and loved ones while they receive care.

Your past gifts to Log A Load for Kids have helped fund a pediatric specialty center and childbirth education center at Centra Virginia Baptist Hospital, a pediatric pod and pediatric center at Centra Lynchburg General Hospital, NEO ONE transport unit, pediatric equipment for Centra ONE helicopter and more! Thank you for ensuring local children have the care they need and deserve close to home.

We hope you will join us for the 29th annual tournament in October! Please direct any questions to Kevin Dawson, committee chair, at 434.665.5625 or kevin.dawson@dof.virginia.gov.

On behalf of the infants and children we serve, thank you for your support!

Committee Chair: Kevin Dawson
Committee Members: Joel Cathey, Jerry Foltz, John Gee, Todd Goode, Jay Phaup, Nikki Robbie
