## Internship Program Admissions

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Applicants are required to demonstrate current enrollment and good standing in a doctoral program with completion of formal academic coursework. Applicants are required to have completed their doctoral level training necessary to start internship, including appropriately supervised experiential training in professional skills outside of the classroom setting. Intern applicants are required to have diverse training in child and/or adult assessment and treatment that is appropriate for the track they have chosen. CDPI will base its selection process on the entire application package; however, applicants who have met the following qualifications prior to beginning internship are considered preferred:

- 1) 500 intervention hours are preferred, however, consideration of fewer hours secondary to limited access to training opportunities during the COVID-19 pandemic will be considered;
- 2) 50 assessment hours are preferred, however, consideration of fewer hours secondary to limited access to training opportunities during the COVID-19 pandemic will be considered;
- 3) Dissertation proposal defended;
- 4) Some experience or special interest in working with diverse populations;
- 5) Practicum experience in psychological assessment of children and/or adults; and
- 6) Preference will be given to students from APA accredited doctoral programs.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	Yes	<b>No</b>	Amount: <b>500 preferred</b>
Total Direct Contact Assessment Hours	Yes	<b>No</b>	Amount: <b>50 preferred</b>

**Describe any other required minimum criteria used to screen applicants:**

All Matched interns must successfully complete a background check, drug screen, and TB screening. The background check includes a social security trace, criminal background screen, national sex offender check, exclusion check, education verification, and state police and fingerprints check. A history of a felony or misdemeanor may result in a "fail" in this review process and prevent the intern from working at Centra.

All interns who match to CDPI must provide proof of U.S. citizenship. CDPI cannot accommodate international students at this time.
